

**DRAFT****PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA****Telecommunications Division  
Carrier Branch****RESOLUTION T-16724  
February 13, 2003****RESOLUTION**

RESOLUTION T-16724. VOLUNTARY REVOCATION OF  
CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY OF  
14 TELECOMMUNICATIONS CARRIERS.

---

**Summary**

This resolution revokes, at the request of the companies, the wireless carrier (CER), Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC) Certificates of Public Conveniences and Necessity (CPCNs) held by the 14 companies listed in the Discussion Section.

**Background**

The 14 companies listed in the Discussion section below were certificated by the Commission in the specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

**Discussion**

The companies that would be revoked by this resolution are the following:

	<b><u>Utility Type</u></b>	<b><u>CPCN#</u></b>	<b><u>Company Name</u></b>
1.	CER	4213	Los Angeles Wireless, Inc.
2.	IEC/CLC	5280	Network Plus, Inc.
3.	IEC	5323	AWN Message Corporation
4.	IEC	5474	LDD, Inc.
5.	IEC/CLR	5602	Easton Telecom, Inc.
6.	IEC	5777	American Long Lines, Inc.
7.	IEC	5848	Micro-Comm, Inc.
8.	IEC	6040	HJN Telecom, Inc.
9.	IEC	6117	Telecommunications Cooperative Network
10.	IEC	6131	Logix Communications Corporation

11.	IEC	6249	PF.Net Network Services Corp.
12.	IEC	6521	Buckeye Telesystem
13.	IER	6581	Clear-Path Telecom, Inc.
14.	IER	6642	Easton Telecom, Inc.

Each of the above companies has sent either a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 300 wireless, 1,000 long distance, and 300 competitive local carriers authorized to do business in these markets.

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled. TD's Public Programs Branch has determined that the companies have paid all surcharges owed.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

## Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

## THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	CER	4213	Los Angeles Wireless, Inc.
2.	IEC/CLC	5280	Network Plus, Inc.
3.	IEC	5323	AWN Message Corporation
4.	IEC	5474	LDD, Inc.

5.	IEC/CLR	5602	Easton Telecom, Inc.
6.	IEC	5777	American Long Lines, Inc.
7.	IEC	5848	Micro-Comm, Inc.
8.	IEC	6040	HJN Telecom, Inc.
9.	IEC	6117	Telecommunications Cooperative Network
10.	IEC	6131	Logix Communications Corporation
11.	IEC	6249	PF.Net Network Services Corp.
12.	IEC	6521	Buckeye Telesystem
13.	IER	6581	Clear-Path Telecom, Inc.
14.	IER	6642	Easton Telecom, Inc.

2. The companies' Utility Identification Numbers are canceled (in the cases where they hold no other CPCNs) and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on February 13, 2003. The following Commissioners approved it:
